DOCKET NO. 91-112-C - ORDER NO. 91-300

APRIL 16, 1991

IN RE: Request of Advanced Telecommunications   ) ORDER
       Corporation for approval of revisions to   ) APPROVING
       its SC PSC Tariff No. 1   ) REVISIONS
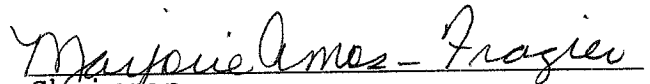

This matter comes before the Public Service Commission of

South Carolina (the Commission) by way of a tariff filing by

Advanced Telecommunications Corporation (ATC or the Company) on

January 17, 1991, whereby ATC seeks to add Operator Services to

its tariff and also to make a clarifying text change for a

definition of ATC-recognized holidays.

This matter was duly noticed to the public and a Petition to

Intervene was filed on behalf of Steven W. Hamm, the Consumer

Advocate for the State of South Carolina (the Consumer Advocate).

A public hearing was scheduled to commence at 2:30 p.m. on

Wednesday, May 1, 1991, at the Commission's Hearing Room, 111

Doctor's Circle, Columbia, South Carolina.

Thereafter, the Consumer Advocate informed the Commission

by letter received April 12, 1991, that based upon the

additional language ATC appended, the Consumer Advocate is

satisfied that ATC's operator services will comply with all

federal regulations as well as all rulings issued by this

Commission governing operator service providers. Therefore, the

Consumer Advocate wishes to withdraw its intervention.

The Commission has considered the tariff filing of ATC and the supporting documentation as well as the filings of the Consumer Advocate. Based upon the information available to it, the Commission has determined that the request by the Consumer Advocate to withdraw its intervention should be approved. Also, the Commission has determined that the tariff should be approved based upon the textual changes agreed to by the Company and the Consumer Advocate. The Company should file an amended tariff with the Commission to reflect this change within thirty days of the date of this Order.
